

SMB-1095 /1195 /1395 /1595 Electric Airless Sprayer

These models of SMB airless sprayer equipped with powerful brushless DC motor. It is ideal for spraying large residential and industrial buildings. it supports the working with two guns at the same time.

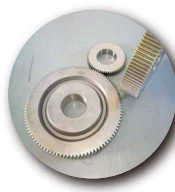

- Durable Quality Source
- Smart Control System
- The Modular Structure Design
- Stainless Steel Rack

Smart Control System

Latest pressure control system delivers a consistent spray fan at all spraying pressure and with digital display, you can read and regulate the pressure easily.

The WatchDog Pump Protection System automatically shuts down the pump when paint runs out.

Durable Quality Source

The SMB pump is exceptionally durable and reliable. delivers superior reliability and life

Stainless Steel Rack

Stainless Steel Rack is designed for easy hose storage.

The Modular Structure Design

The modular structure design of motor and gear box makes it easy to repair the motor, which can reduce the repair cost.

Model	SMB1095	SMB1195	SMB1395	SMB1595
Maximum Flow L/min)	4	6	7.6	9
Maximum Working Pressure	23MPa	23MPa	23MPa	23MPa
Nozzle Size(In.)	1 Gun with 0.033" 2 Gun with 0.019"	1 Gun with 0.037" 2 Gun with 0.023"	1 Gun with 0.039" 2 Gun with 0.027"	1 Gun with 0.047"
Dynamic Power	2500 W /3.4 HP	3000 W /4HP	4000 W / 5.3 HP	4500 W / 6HP
Power Source	Brushless DC Motor			
Power Type	220V/110V, 50-60 HZ,			
G.W. (Kg)	65	65/67	73/75	73/75
Package Size(cm)	72X58X88
